

YOUTH COMMITTEE

The youth committee met online and in person on 9-27-20 at 1:30 PM.
Members present were Jennifer Wagemann, Elissa Dickey, Nicole Kempf, Zach Anderson, and Sandra Anderson.

Past events:

October 4th Smores (Middle School)

October 7th outdoor movie. There were 25 people that came. The movie Trolls World Tour was played. It was broadcasted over the radio so they could be in their cars. It was for Zion and non Zion members.

Star Gazing isn't going well with our dates. We had to cancel twice per it being cloudy. We were planning on doing it at the Kuhnert Arboretum by the outdoor gardens south of town. We will try October 25th at 8 PM.

Upcoming events:

Oct. 31st we will not be having a Halloween party but will do a scavenger hunt at Wylie @ 2 PM. They can wear their costumes.

Nov. - I would like to set up a reading on line by zoom. The families would register or text their emails and addresses and a zoom link would be sent. They would have to register for the events because a packet will go with the book. A colored sheet and small craft and a pre-packaged snack will all be included.

Dec. - Possible Christmas wrapping at the church. On a Sunday after church. Need to check and see if this would be something the church would want us to do. Possible fundraiser.

Fundraising:

Sell T-shirts and hats with church logo or some saying. We would check with Goeff Dog on pricings. This can be a prolonged way to get money for the youth gathering. Send out envelopes to send money to the church for the youth gathering. Makes recipe books to sell. This would also be a prolonged fundraiser. Food places that will donate a percentage of their proceedings to the church for a specific day.

Our next meeting will be on Oct. 25th 2020 @1:30 PM - online and in person

Social Concerns

We've been "meeting" via email and Messenger.

Our Sleep In Heavenly Peace collection just finished and seemed to be quite successful.

We are continuing to look into other avenues to support our community as we move into the winter months.
